## OBJECTIVE

To be associated with a dynamic and progressive organization that will allow me to utilize my abilities and qualifications in the field to add value to the organization while providing me with opportunities for growth.

## EXPERIENCE

### Frontend Lead
**KJSS COSMOS PVT LTD (KJSSC)**

📅 06/2023 - 08/2024   📍 Mumbai, MH

- Led a team of 4 frontend developers, fostering collaboration and driving improvements in coding standards, resulting in a 20% reduction in issue resolution time and increased project delivery speed..
- Collaborated with designers, backend developers, and project managers to create responsive, user-friendly interfaces that boosted client engagement and improved website performance.
- Played a key role in brainstorming and ideation sessions, introducing features that increased user engagement by 25% and enhanced overall website functionality.
- Optimized the frontend codebase, leading to a 15% increase in website load speed, improving the user experience across mobile and desktop platforms.

-------------------------------------------------------------------------------

### Programming Instructor
**Lal Bahadur Shastri Training Institute (LBSTI)**

📅 07/2022 - 01/2023   📍 Dwarka, Delhi

- Taught Java, web development, and data structures to over 50 first- and second-year Computer Science students, helping them build a strong foundation in coding and problem-solving.
- Conducted regular coding workshops and tutorials, improving students' understanding and application of modern programming languages and frameworks.

-------------------------------------------------------------------------------

### Software Development Associate
**Tata Consultancy Services (TCS)**

📅 02/2022 - 03/2023   📍 Varanasi, UP

- Completed TCS Experience Essentials training, gaining expertise in Java development, data privacy, and intellectual property, with a focus on secure coding and efficient software design.
- Acquired several internal certifications in Java, public speaking, and data privacy, further enhancing my technical and interpersonal skill sets.
- Worked on team-based projects to create and maintain internal Java applications, contributing to overall team success in delivering secure and scalable solutions.

## PERSONAL ACHIVEMENTS

- Paper presented on Title "**Advertisement Blocker using Raspberry Pi**".
- **Ranked 1st** in International Conference at KLE College, Kalamboli on 7th Feb 2020.
- Completed **Full Stack Android Developer Course** from IIHT, Vashi with **A Grade**
- Completed **Full Stack JAVA Developer Course** from Aptech, Kharghar.
- Organized a **Tech-Fest** in College **TECHNOBRINK**
